

Arrange A Valuation

Drop your jewellery into any of our branches - you will have to leave the jewellery with us, but we will inform you as soon as your valuation is complete and you collect it along with your valuation certificate from our qualified valuer. By prior appointment, valuations can also be completed at Golders Green branch while you wait.

Your jewellery can be taken to **any Pickwick branch** and we will arrange insured transit from there.

Please call in to any of our branches for a **FREE quotation** or **call 020 8458 0620** to discuss your requirements.

Jewellery Valuation

Pickwick offer an
Insurance Valuation
service for total
peace of mind

Jewellery Valuation

A comprehensive insurance valuation is vital for ensuring that your treasured items of jewellery are properly covered if ever they were stolen, lost or damaged.

A valuation from a qualified expert means that items can be replaced or repaired to exact standard, or suitable cash compensation obtained through insurance. An Insurance valuation is based on the cost of replacing an item to the exact standard and specification of the item, or items that you had in the first place – and so, this gives you complete peace of mind.

We can issue a valuation for you that will show the full replacement value, described “As New” or “As Antique”.

In addition, Myint-Myint has:

Diploma in Gemmology Testing for coloured gems (FGA) from Gemmological Association of Great Britain

Diploma in Diamond Grading (DGA) from Gemmological Association of Great Britain

Valuation Fee

£150 first item and £75 subsequent jewellery items. Plain gold, silver and platinum jewellery £75 first item and £37.50 subsequent items. Call for special reduced rates for more than 3 items!

We will provide you with a written valuation. **This can be a useful document for insurance purposes.** We advise that you have your jewellery revalued every two or three years, at which time we will carefully clean and check your jewellery again and issue an updated report. Updated valuations are charged at half our standard fee.
